## 1972 TIGER

The soaring spirit of '72 was depicted by the large crowds of excited students in the Student Center on the opening day of school.

Challenges were met with ready enthusiasm by Trinity High School students. College-bound students aimed to satisfy the entrance requirements of college boards. True interests in learning led students to work beyond the standard requirements.

Extra-curricular activities thrived on the Trinity 26 - Groveton O. football game. THS's enthusiasm is captured by this yearbook as its spirit soared in '72!

We the people of the '71-'72 TIGER Staff have captured the year in a book of pictures and writing. You the people must add the life, the feeling, and the stirring of your memory. Look back upon this school year as a great one of association with people who made it so.

# DEDICATION

The 1971-72 season of the Tiger Football Team ended with an outstanding record of six wins and one loss in District 23 A competition. The wins included a defeat of the Groveton Indians for the first time in thirteen years. The Annual Staff recognizes with pride the record of the 1971-72 Tigers.

Much of the success and encouragement of Trinity football teams for many years has been made possible by the unselfish dedication and help of Alan Anderson. His accurate keeping of records, announcing of games, reporting to the news media and untiring interest are greatly appreciated by the team, student body and faculty of the Trinity High School.

## SUPERINTENDENT

For the past 13 years R. L. Burton has been Superintendent of the Trinity Independent School District. During this time the enrollment has grown from 654 students to 819. In 1959-60 the annual school budget was just under two hundred thousand dollars whereas the budget for 1971-72 is just over six hundred thousand dollars.

The building program that has been completed includes remodeling the old highway school building to contain a modern science department and administration offices; a gymnasium at West Side School; a seven room addition to Lansberry Elementary School; a new building housing a Band Hall, Vocational Agriculture Department, Homemaking Department, and Student Center, as well as remodeling the auditorium.
